Report of Independent Auditors

To the Board of Directors and Stockholder of Seligman Services, Inc.:

In our opinion, the accompanying statement of financial condition presents fairly, in all material respects, the financial position of Seligman Services, Inc. (the "Company") at December 31, 2006 in conformity with accounting principles generally accepted in the United States of America. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit of this statement in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of financial condition presentation. We believe that our audit of the statement of financial condition provides a reasonable basis for our opinion.

The Company is a member of a group of affiliated companies and, as disclosed in the notes to the statement of financial condition, has extensive transactions and relationships with members of the group. Because of these relationships, it is possible that the terms of these transactions are not the same as those that would result from transactions among wholly unrelated parties.

NOTES TO STATEMENT OF FINANCIAL CONDITION

DECEMBER 31, 2006

Note 1 - Organization and Summary of Significant Accounting Policies:

Seligman Services, Inc. (the "Company") is a wholly-owned subsidiary of J. & W. Seligman & Co. Incorporated ("Seligman").

The Company is a limited purpose broker-dealer registered with the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, and a member of the National Association of Securities Dealers, Inc. The Company is also registered as a broker-dealer in all of the states, territories and possessions of the United States.

The Company's business is to respond to inquiries from shareholders with respect to the investment companies managed by Seligman ("Investment Companies") and, in connection therewith, to provide shareholder liaison services to such shareholders.

The Company's cash and cash equivalents consist of shares of Seligman Cash Management Fund, Inc. (the "Cash Management Fund").

Furniture, equipment and fixtures are depreciated using an accelerated method over periods of five to seven years.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the Statement of Financial Condition. Actual results could differ from those estimates.

Management estimates that the fair value of financial instruments recognized on the Statement of Financial Condition approximates their carrying value, as such financial instruments are short term in nature.

As more fully disclosed in footnote 2, the Company has various agreements with affiliated entities relating to reimbursements for administrative and compliance costs. The accompanying financial statements may not be indicative of the financial condition for the results of operations if the Company had been operated as an unaffiliated entity.

(a wholly-owned subsidiary of J. & W. Seligman & Co. Incorporated)

NOTES TO STATEMENT OF FINANCIAL CONDITION

DECEMBER 31, 2006

Note 2 - Related Party Transactions:

The Company has a Sales Agreement and a related Administration, Shareholder Services and Distribution Agreement with an affiliate, Seligman Advisors, Inc. ("SAI"), the exclusive distributor for the Investment Companies. Pursuant to this Sales Agreement, SAI pays the Company, with funds obtained from the Investment Companies, service fees for providing personal service and/or maintenance of shareholder accounts.

Because SAI provides administrative and compliance support to the Company, the Company reimburses SAI for the administrative and compliance costs allocable to the Company monthly based on an expense sharing arrangement. The Company updated its expense sharing agreement effective January 1, 2006.

Cash equivalents consist of 1,062,435 shares of the Cash Management Fund having a net asset value of \$1.00 per share.

Payable to affiliates represents expenses paid by Seligman on the Companies behalf. Receivable from affiliates represents reimbursement from SAI and the Investment Companies for underpayment of service fees.

Certain directors and/or officers of the Company are also directors and/or officers of Seligman, SAI and the Investment Companies.

Note 3 - Employee Benefit Plans:

All employees of the Company are included in Seligman's defined contribution plan (the "Plan"). Under one feature of the Plan, Seligman, at its option, may contribute up to 15 percent of employees' base compensation, which is fully vested to the employees. Under a second feature of the Plan, Seligman matches contributions made by participating employees up to 3 percent of their salaries. Eligible participants become vested in Seligman's contributions 34 percent after one year, 67 percent after two years and 100 percent after three years. Participants invest all contributions not taken in cash in funds, which invest solely in the Investment Companies.

(a wholly-owned subsidiary of J. & W. Seligman & Co. Incorporated)

NOTES TO STATEMENT OF FINANCIAL CONDITION

DECEMBER 31, 2006

Note 4 – Income Taxes:

Seligman has elected to treat the Company as a qualified subchapter S subsidiary. The Company is included in the federal and state S Corporation income tax returns and the combined local income tax return of Seligman. No federal tax provision is required as the taxes are borne by Seligman's stockholders. The Company computes its income tax provision on a separate company basis in accordance with a tax sharing arrangement with Seligman. At December 31, 2006, the Company has an income tax payable of \$19,600 due to Seligman in the accompanying Statement of Financial Condition.

Note 5 – Commitment and Contingencies:

The Company is subject to legal actions in the ordinary course of its business. Management of the Company, after consultation with its legal counsel, believes that the ultimate resolution of any pending litigation matters should not have any material adverse effect on the Company's financial position.

Note 6 - Net Capital Requirement:

The Company is subject to the Uniform Net Capital Rule (Rule 15c3-1) under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2006, the Company had net capital of \$990,197 which exceeded the minimum required net capital of \$5,000 by \$985,197, and the ratio of aggregate indebtedness to net capital was approximately .05 to 1.
